The Potentate's Message

April was a very educational month for this Potentate and your Divan. We tried to have a "NO COST" membership promotion. I received a call from the Imperial office and

was told we cannot do that because it would be in violation of Article 32 of the bylaws. When I checked my book, the pages where article 32 was located were stuck. So now you know how I over looked Article 32 during my in depth study of the bylaws. And if you believe that! We did correct the situation and had a good party where we raised \$500 for the travel fund and received 4 new petitions.

The Caravan??? Yes we are going to have a Caravan. Articles and picture should now go to Khiva's business office. You can e-mail your information to khiva@amaonline.com or khivarecorder@amaonline.com. Articles and pictures will need to be sent in by the 19th of each month. The business office will contact each unit just before the deadline to provide a friendly reminder. The business office and other volunteers will do the editing and forward their work to David Autry by the 23rd of each month. David told me that gives him time to print and send out by the 1st of each month.

TSA - The bus for TSA still has a few seats available for Shriners wanting to attend. The bus will

leave around 8:30am June the 2nd. Khiva's officers will be staying at PARK CENTRAL. There has been some confusion on that for some reason. Also, Khiva will have a Hospitality room at PARK CENTRAL.

Yours in the Faith

Ben Watson - Potentate

our friends have gone,
To the land of promised rest,
Their work is done
and the setting sun
Has sealed their life's request
They have left this earthly strand

Though the past is gone,
They will still live on*
